

PERMISSION TO PARTICIPATE IN A GREEN ARTWORKS™ WORKSHOP AT

Name of School

Location of School

Date of Workshop

I give permission for my child/ward to participate in an arts & crafts instructional workshop run by Green ArtWorks™ I will encourage my child/ward to pay attention to safety advice given during the Workshop and to be attentive and respectful during the workshop to instructors and all participants.

Each student will work with a range of materials including metal, to produce one finished piece of art made from repurposed materials. Each piece will be unique according to the student’s skill and imagination. All materials have been specially prepared for use in the Green ArtWorks™ workshop. Any similar work carried on outside of this workshop with your own materials may carry risk of injury for which Green ArtWorks™ will not be held responsible.

Please bear in mind Art is fun and can be messy so please wear casual clothing which may get stained by paint and other craft materials.

From time to time photos are taken during workshops in order to promote the creativity of our workshops via our website. Please indicate whether you consent to your child being photographed and their image used on our website. Please check the appropriate box below.

I give consent for my child/ward to be photographed

I do not give consent for my child/ward to be photographed

Please print and sign this form and bring to the Workshop so that your child/ward can participate in the Green ArtWorks™ fun and creativity.
